Business Educational Workshops

4/8

Business Loan Prep

Learn how to prepare for a business loan by understanding what lenders look for. Review the documents, financial information, and credit score needed for a strong application.

6/10

Building a Business Plan that Works

Learn how to turn your business idea into a clear plan. This workshop walks through the key parts of a business plan, including defining your idea, setting goals, and outlining basic financial projections.

8/12

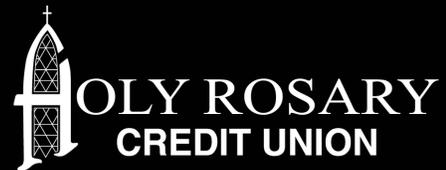

Successful Business Financial Management

Gain hands-on insights into key financial management techniques for small businesses. Delve into crucial aspects such as effective bookkeeping, loan application strategies, and optimizing cash flow. Put the practices in place to support your business's success.

11/18

Marketing Your Business

Learn the basics of marketing and what helps small businesses get noticed. This workshop covers effective use of social media, brand basics, and simple advertising ideas.
